Painted Bunting *
Dickcissel *

* - Verified by at least one record that is supported by photograph, specimen, video or sound recording
(157 species)

(P) - Provisional
Supported only by sight record
(11 species)

SUBSPECIES

In addition to the full species listed above, the OBRC solicits documentation for the occurrence of following select subspecies/subspecies groups in Oregon. These represent taxa that may be elevated to species level sometime in the future.

"Pale-bellied" Brant
(Branta bernicia hrota)

"Bewick's" Tundra Swan
(Cygnus columbianus bewickii)

Lesser Black-backed Gull - any subspecies other than graellsii.

"Timberline" Sparrow
(Spizella breweri taverneri)
