RUSTY BLACKBIRD

Today (01/08), at 1:00 P.M., I found a male RUSTY BLACKBIRD with other blackbirds near the intersection of Gekeler and Red Pepper Roads. This is the first documented RUSTY BLACKBIRD from Union County, OR that I am aware of

and only the 9th Oregon State record if accepted. Here is the best photo I snapped showing lots of field marks and apparently most importantly the rufous edged tertials.
